

INSPIRE!

Helping non-profit leaders realize their potential through our sponsorship program.

Revela's INSPIRE! Sponsorship Program provides the opportunity for businesses to sponsor individuals from non-profit organizations to participate in one of Revela's leadership programs. We believe we will have the greatest impact in the community through developing the leaders within non-profit organizations. Building their organizational bench strength and inspiring them to be their best so they can fulfill their organization's mission.

How It Works

Businesses select an individual employed at a non-profit organization that they wish to sponsor in the INSPIRE! Program. The participant fills out a registration form. If program seats are available, the sponsor contributes 50% of the program cost. Revela will match the donation to cover the remaining 50%. INSPIRE! participants will then join other leaders as they learn about their own leadership style and develop more effective habits to get results.

Eligible Leadership Programs

During the year, Revela hosts several courses on leadership where employees and leaders from different companies come together to learn how to lead and be more effective and influential. Revela programs eligible for the INSPIRE! Program*:

Effective Leadership Development

- Number of sessions: 10
- Audience: Experienced professionals who lead other managers

Effective Management Development

- Number of sessions: 8
- Audience: First level managers; less than 5 years of experience

Intentional Leader

- Number of sessions: 8
- Audience: professional, high potential employees

*Max of one INSPIRE! Participant per Revela leadership program. First-come, first-served.

INSPIRE! Participant Expectations

- Complete the INSPIRE! Registration Form
- Attend all program sessions or make alternative arrangements with facilitator
- Identify a mentor/coach for additional support throughout the program (may be participant's manager)
- Review program schedule and expectations with his/her manager prior to registration
- Attend final celebration and share the impact the program has had
